‘Good communication helps us to grow closer, to know one another better, and ultimately, to grow in unity’ - Pope Francis

TO: Communications Chairs
FROM: Ethel Jack, Diocesan Chair of Communications
RE: Communique # 4, August 30, 2022

Sisters-in-the-League:

Welcome back, after a stellar summer, refreshed and eager to return our efforts to come together in service to God & Canada.

At the conclusion of a very successful National Convention – proposals to modify executive structures and standing committees have been adopted. A Communication protocol has been established to aid in the transition whereby interlevel communications will be directed from one level to another through the Council President & Secretary. They will forward all necessary documents to the appropriate standing Chairperson or Executive Officer.

It is critical for communication to move effectively – to this end, it is essential for updated contact lists to be provided immediately following any election.

Communicating During Transition Quick Guide has been created to assist in explaining the process.

The fall issue of the Canadian League, in a hard copy format, with highlights and oral reports from the 2022 Convention will be mailed to members.

Betty Colaneri, National Communication Chairperson, advises that changes to the national website, to render an easier experience for members to access resources available, have been realized. Members are encouraged to utilize these resources to the fullest.

“Spotlight” now highlights the amazing work of the Catholic Womens League nationwide – Betty emphasizes the need for open communication and connection.

The feast of Our Lady of the Rosary will be celebrated on Oct. 7th, with the month of October being dedicated to the Most Holy Rosary.

Resuming our activities post Pandemic, let us renew ourselves through our emphasis on faith, hope & love – in fulfillment of our theme – Catholic & Living it!
