

Diocesan CWL
Care for Our Common Home

TO: Communications Chair
FROM: Ethel Jack, Diocesan Chair of Communications
RE: Communique # 1, August 30, 2021

The new National Chair of Communications is Betty Collineri, who invites questions, concerns or just conversation. Do not hesitate to contact her.

The Fall issue of the Canadian League will be online only, on a trial basis due to rising costs. An Opinion Survey will be distributed in the fall. Please encourage members to respond.

We are encouraged to be Ambassadors of good communication and keep our lines open, ready to engage with each other. It is vital for effective communication that all parties be in possession of all pertinent facts.

If you have anything you wish to be posted on the League's social media account, please forward to the National Office & Betty Collineri.

Respectfully submitted,
Ethel Jack
